Choosing the Right Membership

Each LCCUK membership level is designed to reflect a different stage of business engagement. Community Member provides a practical entry point into the network, Business Member supports stronger visibility and positioning, Strategic Connect Member focuses on targeted introductions and strategic opportunities, while Patron Member is designed for those seeking the highest level of visibility and engagement within the UK-Lithuania business community.

Members are encouraged to choose the level that best reflects their current business goals, desired visibility and level of involvement in the LCCUK ecosystem.

General Membership Note

LCCUK membership is designed to create visibility, access, connections and a trusted professional environment for businesses and professionals interested in the UK-Lithuania business ecosystem. Membership benefits, introductions, visibility opportunities and event participation are provided based on the selected membership level, relevance, availability and mutual interest within the LCCUK network. LCCUK does not guarantee business deals, commercial results, contracts, investment, clients or partnerships. The value of membership depends on active engagement, professional participation and alignment with the LCCUK community and its objectives.
